| Ferry Road / Hawaiian Parade Junction Reserve.....    | 82  |
| Ferry Road Reserve.....                               | 83  |
| Fisherman's Rock Reserve .....                        | 84  |
| Forest Glen Esplanade .....                           | 85  |
| Francis Avenue Reserve.....                           | 86  |
| Galbraith Greens Reserve .....                        | 87  |
| Gilshennan Reserve .....                              | 88  |
| Glenelg Reserve .....                                 | 89  |
| Grant Park .....                                      | 90  |
| Grovenor Drive Reserve .....                          | 91  |
| Grut Greens Reserve .....                             | 92  |
| Gulf Harbour Drive Plantation Reserve .....           | 93  |
| Gulf Harbour Marina Hammerhead Reserve .....          | 94  |
| Gulf Harbour Recreation Reserve .....                 | 96  |
| Gulf Harbour to Matakata Esplanade .....              | 98  |
| Gulf Harbour Village Reserve.....                     | 99  |
| Hardley Reserve .....                                 | 100 |
| Harris Reserve.....                                   | 101 |
| Harvest Avenue Reserve .....                          | 102 |
| Hatfields Beach Reserve.....                          | 103 |
| Higham Ferrers Reserve.....                           | 105 |
| Industrial Court Esplanade Reserve.....               | 106 |
| Inlet Views Reserve .....                             | 107 |
| Island View Drive Reserve .....                       | 108 |
| James Titford Reserve .....                           | 109 |
| Jamie Hansen Park.....                                | 110 |
| Jelas/Moffat Esplanade Reserve.....                   | 111 |
| Johns Creek Reserve.....                              | 113 |
| Joydon Place Reserve .....                            | 114 |
| Karaka Cove .....                                     | 115 |
| Karepiro Drive Reserve.....                           | 117 |
| Kelly Greens Reserve .....                            | 118 |
| Kensington Drive Reserve .....                        | 119 |
| Kensington Terrace Reserve.....                       | 120 |
| Kinloch Reserve.....                                  | 121 |
| Lakeside Reserve .....                                | 122 |
| Landmark Terrace Reserve.....                         | 123 |
| Link Crescent Reserve.....                            | 124 |
| Little Manly Beach Reserve.....                       | 125 |
| Loop Road Reserve .....                               | 126 |

## 12. Ngā Papa Rēhia Tū Takitahi

### Individual Parks

This section covers the 285 parks in Hibiscus and Bays which are presented in individual sheets in alphabetical order. Please note these need to be read in conjunction with the park management principles and policies in Volume I of this plan.

## 12.1 Me pēhea te pānui i ngā whārangi papa rēhiatakitahi

### How to read the individual park sheets

The following template explains how the content of the individual park sheets have been populated, including reference documents.

## Amorino Reserve

Amorino Reserve

Note 1: Refer to the separate key for the map on page 14. The boundary colour to a parcel or group of parcels identifies the classification. For example, blue is a recreation reserve and yellow is a local purpose (esplanade) reserve. The hatching shows management focus areas for land classified as recreation reserve or land held under the Local Government Act. In this example the recreation reserve has a Coastal management focus.

Note 2: Other local parks that are adjacent to, or close to a park will also be evident on the map. In this example Orewa Reserve sits on the north side of the estuary. In addition, road reserves may also be shown adjacent to a park where those form part of the park extent.

Note 3: The scale of the maps vary depending on the size and configuration of the park.

### PARK INFORMATION

#### ADDRESS

**Example:** 55 Ashley Avenue, Long Bay

- Physical street address derived from Auckland Council GIS
- Note:** Some parks don't have a street number.

#### PARK AREA (m<sup>2</sup> or ha)

This is determined by whether the park is over a ha.

**Example 1:** 5.0710

- This is the total area in ha of all parcels that make up the park.

**Example 2:** 2005

- This is the total area in m<sup>2</sup> of all parcels that make up the park.

## LAND STATUS

### Example 1:

#### Recreation Reserve

Section 2 SO 474183

### Example 2:

#### Subject to the Local Government

2002 Section 2 SO 474183

- The land status is the parcels legal description. This includes the lot number and Reserves Act classification or identifies that the parcel is held under the Local Government Act 2002. Refer to Section 9 for a description of each Reserves Act classification.

## LEASES & LICENCES

**Example:** Current or contemplated leases and licences within existing footprints for:

Organised sport and facilities including lawn bowls and petanque (recreation reserve)

- This section identifies the types of leases and licence activities that are contemplated within existing lease area footprints. It will generally reflect the current lease/licence activities on the park and identify the land classification where these types of lease or licence activities can occur i.e. recreation reserve or local purpose (community use) reserve.
- **Note:** if new future leases types/activities are known/anticipated these will be identified/contemplated in the management intention section.

## VALUES

### KNOWN CULTURAL VALUES

- This section identifies areas of cultural significance to mana whenua. The examples below show the different levels of information how it will be displayed. All examples emphasise the need to discuss potential impacts on cultural values with mana whenua.
- **Example 1:** Area of cultural significance – refer to mana whenua.

This indicates areas that are likely to have significance for mana whenua. For example, many coastal or estuarine areas in Hibiscus and Bays may have been traditional food gathering or fishing areas, transportation routes or part of a wider cultural landscapes. This information is often not recorded or available to the public.

- **Example 2:** Recorded archeological site(s) of Māori origin – refer to mana whenua. This indicates a recorded Cultural Heritage Inventory (CHI) site of Māori origin. For example, common CHI sites in Hibiscus and Bays are middens, pits, and terraces.

- **Example 3 -** Ringditch Pā site (CHI No. 11637) close to the Hillcrest Road boundary extending over lots 11 to 15 - refer to mana whenua.

This indicates in more detail a significant or unique recorded CHI site. This level of detail is only provided for larger or more prominent recorded sites.

- **Example 4 -** Refer to mana whenua. 'Refer to mana whenua' will be displayed when an area or specific site has not been identified. Mana whenua may not always want to indicate or publicise areas or sites of cultural significance. Therefore, it is important to refer to mana whenua to ensure activities on parks can avoid impact on cultural values where no specific information is given in this section.

## KEY RECREATIONAL VALUES

- This section outlines a list of key recreational activities currently associated with the park. The impact on these need to be considered alongside other park values when approving/determining what activities can take place on parks. Refer to the table in Appendix I later in Part D for descriptions of these values.
- This is not an exhaustive list or the only recreational values for a park but is intended to be a start point that indicates known prominent values associated with that park.
- **Example:** Beach access / Connection / Play space

## SIGNIFICANT NATURAL VALUES

- **Example 1:** WF11 Kauri podocarp broadleaved forest.
- **Example 2:** High quality native vegetation including Kauri forest remnant at the east end, which includes mature Kauri – oldest estimated at 300 years.
- This section is predominantly populated from data contained in the ***Indigenous terrestrial and wetland ecosystems of Auckland 2017***. The document describes 36 terrestrial and wetland ecosystems in the Auckland region and is based on the national ecosystem classification system. The description in example 1 above ***WF11 Kauri podocarp broadleaved forest*** relates to the relevant section in the document which provides details on ICUN threat status (e.g. least concern, vulnerable, endangered, critically endangered, collapse). as well as distribution, characteristics, threats etc.

- Some parks may have additional information as described in example 2 where additional information on specific or unique known natural values may be useful.
- **Note:** Most parks by virtue have a variety of natural values the intention of this section is to identify known significant or unique values that may not be covered by the Auckland Unitary Plan Significant Ecological Area overlays.

## HERITAGE VALUES

- **Example:** Historic Structure – Military gun emplacement (CHI No. 3234)
- This section identifies recorded Cultural Heritage Inventory sites other than sites listed in the Known Cultural Values Section above. Examples include military structures, monuments, historic trees, and places.

## OTHER INFORMATION

- This section covers miscellaneous information specific to the park that may impact use or development.

**Example:** Contaminated Land – Closed Landfill

- Environmental monitoring and asset management, monitoring and inspections to ensure safe use by public.
- Potential constraints on ground intrusive projects and activities and notification of potential hazards.

## KEY MANAGEMENT ISSUES

- **Example: Stream bank erosion within the park** is increasing as intensification of the surrounding residential area grows and more stormwater is discharged into the catchment.
- This section outlines management issues specific to the particular park.

- **Note:** this is not intended to be an exhaustive list of general park issues. Not all parks have a specific management issues, often issues are common to parks in general or to parks with the same management focus. These issues are generally covered in Part C under the management focus overview in Section 10 or in general policies in Section 11.

## MANAGEMENT FOCUS

### Examples:

- Informal recreation, see 10.2
- Organised sport and recreation, see 10.5

Note: The management focus areas only apply to the land classified recreation reserve under the Reserves Act 1977 and the land subject to the Local Government Act 2002.

- Refer to Section 10 for a comprehensive explanation of how management focus areas apply to parks.

- **Example 1:** Maintain the informal recreation and coastal open space character of the park by balancing demands for increasing use of the park, particularly the beach frontage north of Laurence Street, for formal recreational activities and events (including those organised by lessees located on the park).
- **Example 2:** Consider implementing event free rest periods for parts of the park, or the whole park, to enable parkland to recover and protect causal use of the park during peak summer periods.

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

## MANAGEMENT INTENTION

- Management intentions describe the management approach and/or desired outcomes for specific activities, experiences, or issues on individual parks.
- This section may also provide direction on how specific activities should be provided for (i.e. maintaining public access to the beach) or what park unique features are intended to be retained, maintained altered or protected. It also may signal development opportunities (if known) that may be considered in the future.

## 12.2 [new heading]

### Map key

#### Reserve Classes

-  Recreation Reserve
-  Scenic Reserve
-  Historic Reserve
-  Local Purpose (Esplanade)
-  Local Purpose (Community Use)
-  Local Purpose (Access)
-  Local Purpose (Other)

#### Management Focus Areas

-  Coastal
-  Community and Civic
-  Informal Recreation
-  Protection of the Natural Environment
-  Recreation & Ecological Linkage
-  Organised Sport and Recreation

#### Easements

-  Easements

## 12.3 Ngā whārangi papa rēhia tū takitahi

### Individual park sheets

# 36 Hibiscus Coast Highway Reserve

36 Hibiscus Coast Highway Reserve

#### PARK INFORMATION

##### ADDRESS

36 Hibiscus Coast Highway, Silverdale South

##### PARK AREA (m<sup>2</sup>)

9652

##### LAND STATUS

Recreation Reserve

Sections 1-5 SO 457515

#### VALUES

##### KNOWN CULTURAL VALUES

- Refer to mana whenua.

##### KEY RECREATIONAL VALUE

- Informal recreation - general

#### SIGNIFICANT NATURAL VALUES

- Native vegetation including kauri, totara, manuka and tanekaha.

#### OTHER INFORMATION

- The Weiti Stream surrounds the park on three sides.

#### KEY MANAGEMENT ISSUE

1. Pest plants threatening the ecological integrity of riparian areas.

#### MANAGEMENT FOCUS

- Informal recreation, see 10.2

## **MANAGEMENT PRINCIPLES**

Refer to Section 8

## **GENERAL POLICIES**

Refer to Section 11

## **MANAGEMENT INTENTION**

1. To protect and enhance the natural values of the park including kauri, totara, manuka and tanekaha, native wildlife and associated ecosystems.
2. Consider improving recreational access, use and ecological enhancement including the proposals outlined in the 36 Hibiscus Coast Highway Concept Plan.
3. Consider formally naming the park.

# Albatross Reserve

Albatross Reserve

## PARK INFORMATION

### ADDRESS

7 Albatross Road, Red Beach

### PARK AREA (ha)

1.0207

### LAND STATUS

#### Recreation Reserve

Lot 21 DP 55108, Lot 45 DP 57023 and Part Lot 59 DP 43890

#### Local Purpose (Accessway) Reserve

Part Lot 59 DP 43890

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general

## OTHER INFORMATION

- Council's stormwater management team are responsible for managing the Kukuwai Avenue stormwater detention pond predominantly located on the adjoining Lot 500 DP 496280. This lot provides access to the park from Kukuwai Avenue but is outside the scope of this plan.

## MANAGEMENT FOCUS

- Informal recreation, see 10.2

Note: The management focus only applies to the land classified recreation reserve under the Reserves Act 1977.

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

# Alice Eaves Scenic Reserve

Alice Eaves Scenic Reserve

## PARK INFORMATION

### ADDRESS

2 Old North Road, Orewa

### PARK AREA (ha)

16.0005

### LAND STATUS

**Scenic Reserve 19(1)(a)**

Lot 1 DP 48277 and Lots 10 – 15 DP 47676

## VALUES

### KNOWN CULTURAL VALUES

- Ring ditch Pā site (CHI No. 11637) close to the Hillcrest Rd boundary extending over Lots 11 to 15 - refer to mana whenua.

## KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general
- Nature based activities
- Walking trails

## SIGNIFICANT NATURAL VALUES

- WF11 Kauri podocarp broadleaved forest.
- High quality native vegetation including kauri forest remnant at the east end, which includes mature kauri – oldest estimated at 300 years, other mixed podocarps and a range of indigenous hardwoods, low growing mosses, ferns, and orchids.

- Habitat for range of rare and threatened botanical species including: Angramma Leptophylla, Astellia Grandis and Pterostylis cardiostigma.
- Nukumea Stream runs along the parks southern boundary.
- Glow worm grotto.

### **HERITAGE VALUES**

- For the park's historical background refer to the previous Alice Eaves Scenic Reserve Management Plan 1998 (amended 2008).

### **OTHER INFORMATION**

- The Eaves Bush Appreciation Group along with the Orewa Lions Club undertake pest control and track maintenance in this reserve.
- The Hibiscus and Bays Greenways / Local Paths Plan 2016 identifies a potential Greenway connection through the park between Hillcrest Road and Old North Road. The Alice Eaves Scenic Reserve to Hatfield's Path is one of seven high priority greenway connections for Hibiscus and Bays.

### **KEY MANAGEMENT ISSUES**

1. Risk of pathogen incursion, such as kauri dieback, infecting remnant kauri and other native vegetation due to the extensive track network through the park, proximity of kauri to existing formed walking tracks and lack of board-walking.
2. Lower tracks used to access bike park on adjoining private property require higher levels of maintenance particularly in damp and swampy areas.
3. Incursion of invasive weed and animal pests.

### **MANAGEMENT PRINCIPLES**

Refer to Section 8

### **GENERAL POLICIES**

Refer to Section 11

### **MANAGEMENT INTENTIONS**

1. Actively protect and enhance natural values within the park particularly native vegetation, wildlife, and associated ecosystems.
2. Support opportunities to protect the park from pathogen incursion, such as kauri dieback, including opportunities to improve, realign or relocate paths through the park particularly those near kauri.
3. Protect the natural character of the reserve and consider opportunities to improve park users' experience and ability to connect with nature.
4. Protect cultural heritage associated with the park including the remnant ring ditch Pā site particularly when considering any future development or park enhancement.
5. Consider opportunities to improve connections through the park and deliver on the Hibiscus and Bays Greenways / Local Paths Plan 2016.
6. Consider rationalising underutilised and low-quality tracks, if required, to ensure limited maintenance resource can be focused on high use tracks and connections.

# Alverna Heights Reserve

Alverna Heights Reserve

## PARK INFORMATION

### ADDRESS

Alverna Heights View, Army Bay

### PARK AREA (m<sup>2</sup>)

2012

### LAND STATUS

**Recreation Reserve**  
Lot 102 DP 211914

## MANAGEMENT FOCUS

- Informal recreation, see 10.2

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### KEY RECREATIONAL VALUES

- Informal recreation - general

# Amorino Reserve

Amorino Reserve

## PARK INFORMATION

### ADDRESS

32A Amorino Drive, Red Beach

### PARK AREA (ha)

3.5277

### LAND STATUS

Recreation Reserve

Lot 160 DP 56638 and Lot 109 DP 70174

### Local Purpose (Esplanade) Reserve

Allotment 630 Parish of Waiwera and Lot 160 DP 57962

## VALUES

### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

## KEY RECREATIONAL VALUES

- Connection
- Cycling
- Informal recreation - general
- Shared paths

## HERITAGE VALUES

- Historic Structure - Military Gun emplacement (CHI No.3033).

## OTHER INFORMATION

- The southern bank of the Orewa river mouth/estuary entrance forms the northern boundary of the park and is subject to coastal hazards.
- A public jetty located at the western end of Lot 160 DP 57962 provides recreational access from the park to the Orewa Estuary.
- Te Ara Tahuna cycleway route passes through the park.

## **KEY MANAGEMENT ISSUES**

1. A combination of Onehari Chaos soil type and the impact of coastal hazards have resulted in poor drainage and erosion along the parks Orewa River / Estuary bank boundary.

## **MANAGEMENT FOCUS**

- Coastal, see 10.1

Note: The management focus only applies to the land classified recreation reserve under the Reserves Act 1977.

## **MANAGEMENT PRINCIPLES**

Refer to Section 8

## **GENERAL POLICIES**

Refer to Section 11

# Ardern Lookout Reserve

Ardern Lookout Reserve

## PARK INFORMATION

### ADDRESS

80 Ardern Avenue, Manly

### PARK AREA (ha)

3.5157

### LAND STATUS

**Local Purpose (Esplanade) Reserve**

Lot 281 DP 39432

## SIGNIFICANT NATURAL VALUES

- CL1 Pohutukawa treeland flaxland rockland.

## OTHER INFORMATION

- Subject to coastal hazards.
- The park connects to Stanmore Bay Road Accessway in the southwest and Swann Beach Reserve in the southeast.

## VALUES

### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

### KEY RECREATIONAL VALUE

- Informal recreation - general

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

# Arkles Bay Beachfront Reserve

Arkles Bay Beachfront Reserve

## PARK INFORMATION

### ADDRESS

2 Arkles Strand, Wade Heads

### PARK AREA (ha)

1.1625

### LAND STATUS

#### Local Purpose (Esplanade) Reserve

Lot 198 DP 21728, Part Lot 2 DP 31976\*,  
Part Allotment 28 Parish Of Waiwera\*,  
Lot 2 DP 55431 and Lot 2 – 3 DP 38987

\* Parcels' classification subject to confirmation

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

## KEY RECREATIONAL VALUES

- Beach access
- Boat launching
- Connection
- Informal recreation - general

## SIGNIFICANT NATURAL VALUES

- WF4 Pohutukawa puriri broadleaved forest.

## OTHER INFORMATION

- Coastal hazards have eroded the land parcels that make up Arkles Bay Beachfront Reserve. As a result, large portions of these parcels may now be in the common marine and coastal area (CMCA).

- The legal status of the open grassed area along the water frontage used for casual recreation is unformed legal road and is out of scope of this plan.
- While Auckland Council maintains this land, it is under the jurisdiction of Auckland Transport. The general policies and provisions of this plan will guide the local board's position and any future input into management or development of this area where it is sought.
- The park adjoins Arkles Strand Esplanade Reserve to the northeast.

### **KEY MANAGEMENT ISSUES**

1. Coastal erosion has limited useable space to predominantly the narrow grass berm of the unformed legal road between Arkles Strand and the coastal edge.
2. The narrowness of Arkles Strand and the lack of formed carparking means the grass berm is used for parking causing damage to the berm and makes maintaining grass cover difficult.
3. Options to form or restrict carparking in most areas are limited due to space and potential impact on adjacent landowners.

### **MANAGEMENT PRINCIPLES**

Refer to Section 8

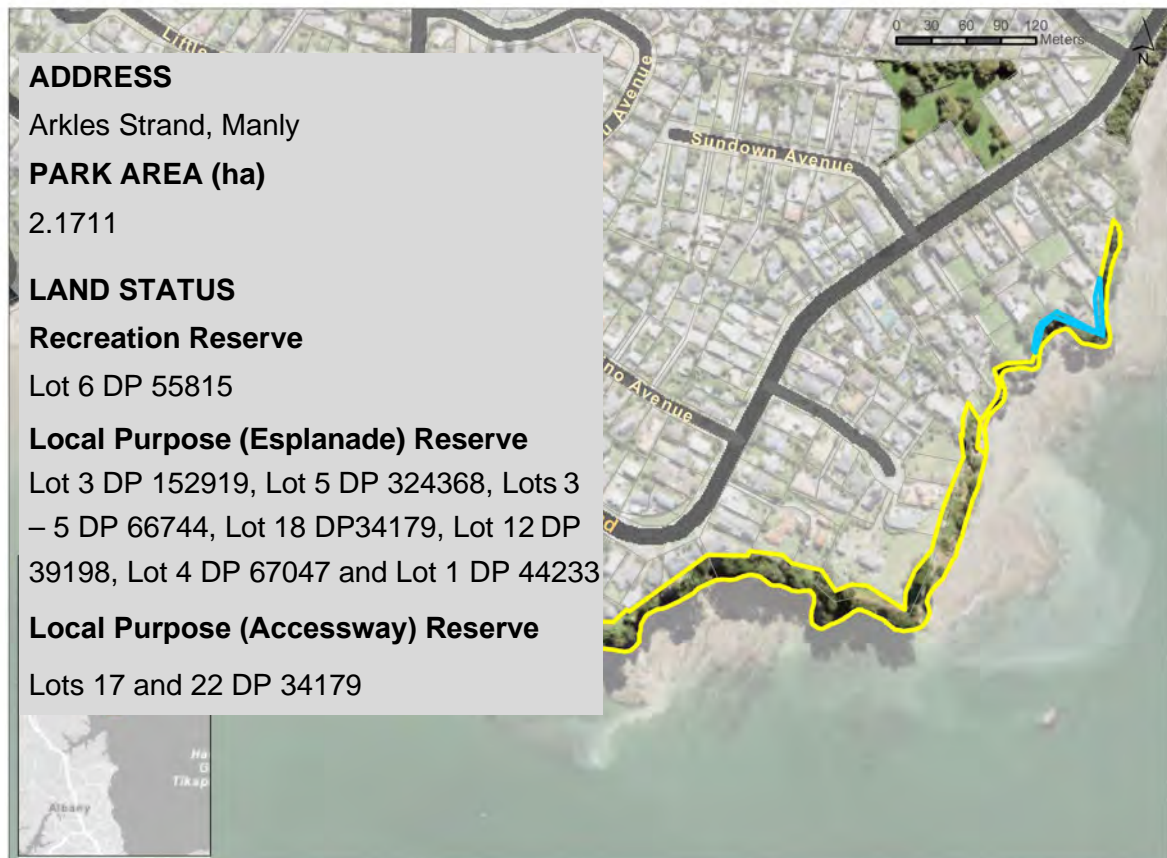

### **GENERAL POLICIES**

Refer to Section 11

### **MANAGEMENT INTENTION**

1. To work with Auckland Transport over the management of Arkles Bay Beachfront Reserve.

# Arkles Strand Esplanade Reserve

## PARK INFORMATION

## SIGNIFICANT NATURAL VALUES

- WF4 Pohutukawa puriri broadleaved forest.

## OTHER INFORMATION

- Subject to coastal hazards.
- Access is limited to between Arkles Bay and Whangaparaoa Road as most of the park is located along steep exposed coastal cliffs that are prone to instability and slips.
- The park adjoins Arkles Bay Beachfront Reserve to the southeast.

## MANAGEMENT FOCUS

- Recreation and ecological linkage, see 10.4

Note: The management focus only applies to the land classified recreation reserve under the Reserves Act 1977.

## VALUES

Arundel Reserve

## PARK INFORMATION

### ADDRESS

467 Hibiscus Coast Highway, Orewa

### PARK AREA (ha)

1.6093

### LAND STATUS

**Recreation Reserve**

Lot 1 DP 44822, Allotment 696 Parish Of Waiwera and Lot 13 DP 44822

### LEASES & LICENCES

Current and contemplated leases and licences within existing footprints for:

- Organised marine recreation and education activities including Scouts.

## VALUES

### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

### KEY RECREATIONAL VALUES

- Beach access
- Community leisure and recreation
- Connection
- Informal recreation - general
- Water based activities

### SIGNIFICANT NATURAL VALUES

- Sensitive coastal dune system.
- Multiple mature Pohutukawa throughout the park.

## **OTHER INFORMATION**

- Subject to coastal hazards.
- Te Araroa (New Zealand's Trail) route passes through the park.

## **KEY MANAGEMENT ISSUES**

1. Popular unauthorised freedom camping location due to the proximity to the coast as well as parking and toilet facilities. Car park access, congestion, noise, litter, and antisocial behaviour have been issues on site.
2. Orewa Sea Scouts existing building is at capacity to accommodate rising membership and interest in the group.
3. Storm events and coastal hazards have caused erosion, loss of dune planting and exposure of the toe of the backstop sea wall during significant storm events.

## **MANAGEMENT FOCUS**

- Coastal, see 10.1

## **MANAGEMENT PRINCIPLES**

Refer to Section 8

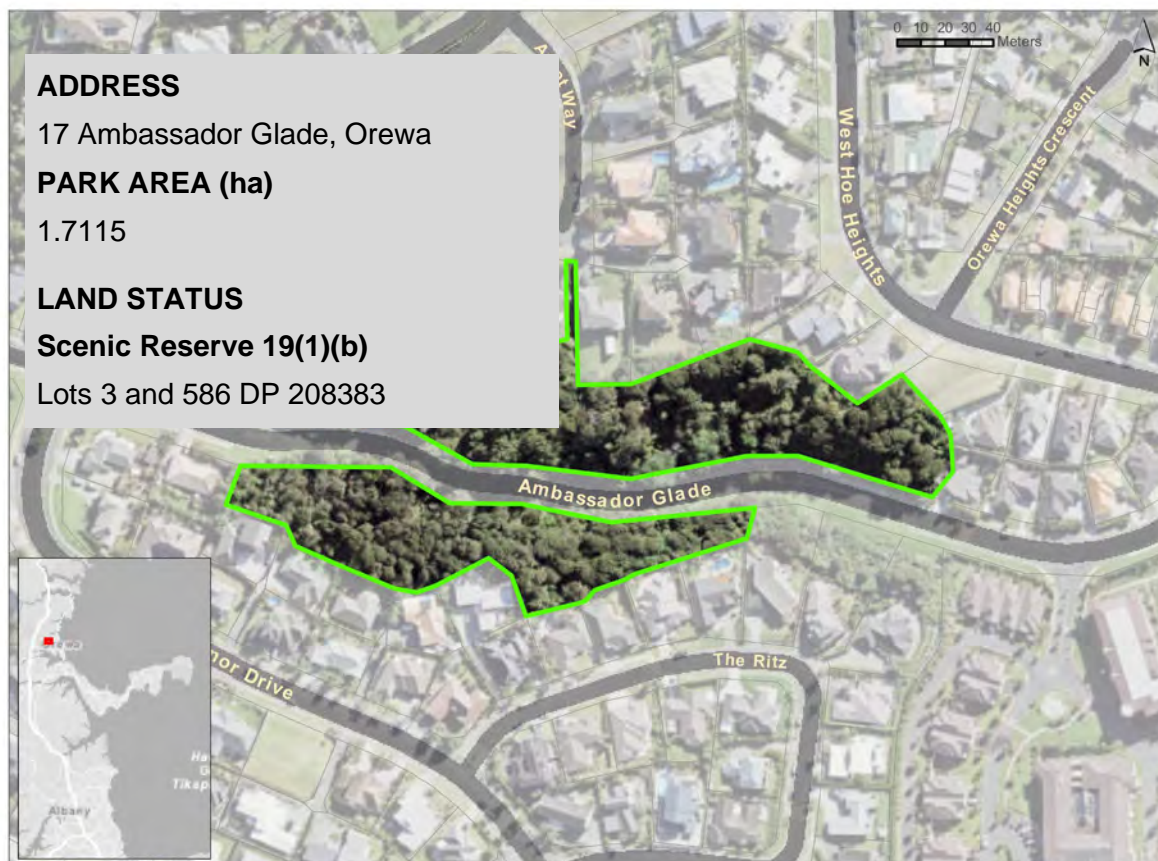

## **GENERAL POLICIES**

Refer to Section 11

## **MANAGEMENT INTENTIONS**

1. If the Sea Scouts building is unable to accommodate increased capacity for their activities, encourage reconfiguration of the building, off park storage and other options that recognise the need to retain open space and the constraints of building in a dynamic coastal environment.
2. Consider location of a lifeguard tower at the park that supports the Orewa Beach Surf Lifesaving Service extending their formal service along the length of Orewa Beach.

# Ascot Way Reserve

Ascot Way Reserve

# Buster Elliot Memorial Landing Reserve

Buster Elliot Memorial Landing Reserve

## PARK INFORMATION

### ADDRESS

70 Duck Creek Road, Silverdale South

### PARK AREA (m<sup>2</sup>)

5940

### LAND STATUS

Recreation Reserve

Section 1 SO 65441

### LEASES & LICENCES

Existing lease for:

- Marine related recreation and activities including boating club and boat maintenance including the Stillwater Boating Club Inc.

## VALUES

### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

### KEY RECREATIONAL VALUES

- Boat launching
- Informal recreation - general
- Water based activities

### OTHER INFORMATION

- Subject to coastal hazards.
- The park is predominantly reclaimed land projecting into the Weiti River.

- Buster Elliot was the driving force behind the Stillwater Boating Club's construction of the reclamation in the 1970s.
- The area to the south is stopped road outside of Section 1 SO 65441 and while maintained as part of the park is outside the scope of the plan.

### **KEY MANAGEMENT ISSUES**

1. Limited practical public access to the park and perception of exclusive use and access.
2. Limited trailer parking and space for boat rigging.
3. The size of the water bore and capacity and quality of the water supply system at the park is often insufficient to supply the public toilets and boating club activities simultaneously.
4. Risk of boat maintenance activities carried out on the park affecting the water quality of Weiti River.

### **MANAGEMENT FOCUS**

- Coastal, see 10.1

### **MANAGEMENT PRINCIPLES**

Refer to Section 8

### **GENERAL POLICIES**

Refer to Section 11

### **MANAGEMENT INTENTIONS**

1. To maintain and consider opportunities to enhance safe and obvious public access to the park's water frontage and public use of the boat launching facilities.
2. Consider options to separate and improve the public toilet and boat club's water supply.
3. Manage activities undertaken on the park, particularly boat maintenance and park development, to protect the water quality of the Weiti River.

### PARK AREA (ha)

2.7315

### LAND STATUS

Recreation Reserve

Lot 1 DP 177482

**Local Purpose (Community Buildings) Reserve**

Lot 1 and 2 DP 112337

### LEASES & LICENCES

Leases and licences are contemplated within existing footprints for:

- Activities, services and associated facilities relating to performing and visual arts (local purpose (community buildings) reserve).

## VALUES

### KNOWN CULTURAL VALUES

- Area of cultural significance – refer to mana whenua.

### KEY RECREATIONAL VALUES

- Community leisure and recreation
- Cycling
- Informal recreation - general
- Shared paths

### SIGNIFICANT NATURAL VALUES

- SA1 Mangrove forest scrub.

## **OTHER INFORMATION**

- Subject to coastal hazards.
- Riverside Marginal Strip held under the Conservation Act 1987, adjoins the park's western and southern boundaries. This links with Western Reserve to the south and provides for the Orewa Millennium Walkway and Te Ara Tahuna Cycleway. Auckland Council has a management agreement with the Department of Conservation to manage this crown-owned marginal strip.

## **KEY MANAGEMENT ISSUES**

1. Susceptible to flooding and inundation particularly when severe storm events and king tide coincide.
2. Limited parking for the Centrestage Theatre may come under further pressure when the Auckland Council Orewa offices are divested and privately developed.

## **MANAGEMENT FOCUS**

- Informal recreation, see 10.2

Note: The management focus only applies to the land classified recreation reserve under the Reserves Act 1977.

## **MANAGEMENT PRINCIPLES**

Refer to Section 8

## PARK INFORMATION

### ADDRESS

Ahumoana Road end, Silverdale South

### PARK AREA (ha)

23.6700

### LAND STATUS

Historic Reserve

Part Lot 4 DP 95984

### Local Purpose (Esplanade) Reserve

Part Lot 4 DP 95984 and Lots 6-7 DP 95984

## VALUES

### KNOWN CULTURAL VALUES

- Recorded archaeological site of Māori origin (Pā site). Refer to mana whenua.

## KEY RECREATIONAL VALUES

- Beach access
- Camping (managed small groups)
- Connection
- Education
- Informal recreation - general
- Nature based activities
- Walking trails
- Water based activities

## SIGNIFICANT NATURAL VALUES

- CL1 Pohutukawa treeland flaxland rockland.

- DN2 Spinifex pīngao.
- EF Exotic forest.
- EG Exotic grassland.
- ES Exotic scrub.
- SA1 Mangrove forest scrub.
- VS5 Broadleaved scrub forest.
- WF4 Pohutukawa puriri broadleaved forest.
- WL10 Oioi restiad rushland reedland.
- Kauri.
- The park contains one of the best remaining examples of lowland coastal forest.
- Variety of rare and threatened shore waders and birds particularly New Zealand Dotterel, Variable Oystercatcher, Shore Plover, Godwit, Caspian Turn, White faced and Reef Herron.
- Intertidal shell spits (chenier spits) located at the north of the park have been identified as some of the best examples of actively forming intertidal shell spits in New Zealand and have been classified as being of international importance (Kenny and Hayward 1993).

## **HERITAGE VALUES**

- Historic Dacre Cottage.

## **OTHER INFORMATION**

- Subject to coastal hazards.
- Dacre Cottage is cared for by the Dacre Cottage Management Committee and is available for small groups to book.

- For a brief history of the park including background on the Okura walkway that passes through the park refer to the previous Dacre Historic and Esplanade Reserve Management Plan 2000.
- Te Araroa (New Zealand's Trail) route passes through the park.
- An easement over adjacent Lot 170 DP 513840 provides access from the carpark on Ara Weiti Road down to the park.

## **KEY MANAGEMENT ISSUES**

1. Accelerated erosion of the Karepiro Stream bank and beach dune system due to the increased stormwater discharged from adjoining residential land development.
2. Decline of rare and threatened wild life and their habitat, particularly foreshore wading birds, is anticipated to increase as access to the park is made available from the residential development adjoining the park; any future reopening of the Okura Bush walkway on adjacent Department of Conservation land; and stormwater runoff and sediment pollution outlined in management issue 1 above.
3. Risk of pathogen incursion, such as kauri dieback, infecting remnant kauri forest and other native vegetation, particularly on the northern side of Karepiro Stream, due to the proximity of kauri to existing formed walking tracks.

## **MANAGEMENT PRINCIPLES**

Refer to Section 8

## **GENERAL POLICIES**

Refer to Section 11

## MANAGEMENT INTENTIONS

1. Protect the natural character of the park and support opportunities to protect and improve ecology and wildlife habitat, particularly for rare and threatened coastal bird species that inhabit the park and adjacent coastal environment.
2. Consider opportunities to develop and enhance access through the park to help manage the impact of increased park use, particularly where it impacts wildlife and their habitat, natural features such as dunes and spits, native vegetation and/or cultural and historic sites.
3. Consider opportunities to improve park users' experience, including the ability to connect with and learn about the nature, wildlife, and history of the park.
4. Work together with the Department of Conservation to manage the pedestrian connection between the Okura Bush Reserve and Dacre Historic and Esplanade Reserve.

# De Luen Avenue Beachfront Reserve

De Luen Ave Beachfront Reserve

## PARK INFORMATION

### ADDRESS

De Luen Avenue, Manly

### PARK AREA (ha)

1.4708

### LAND STATUS

**Local Purpose (Esplanade) Reserve**

Lot 32 DP 30753 and Lot 5 DP 63532\*

**Local Purpose (Access) Reserve**

Lots 33 and 34 DP 30753

\* Parcel's classification subject to confirmation

## VALUES

### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

## KEY RECREATIONAL VALUES

- Beach access
- Boat launching
- Connection
- Informal recreation - general
- Water based activities

## SIGNIFICANT NATURAL VALUES

- CL1 Pohutukawa treeland flaxland rockland.
- WF4 Pohutukawa puriri broadleaved forest.

## **OTHER INFORMATION**

- Coastal hazards have eroded a significant portion of the park. As a result, most of the park's former land parcel may now be in common marine and coastal area (CMCA).
- The widest most useable parts of the park are at the south western end where it adjoins Crown Reserve and Tindalls to Crown Road Esplanade, and the north eastern end where it adjoins Tindalls to Coal Mine Bay Esplanade.

## **MANAGEMENT PRINCIPLES**

Refer to Section 8

## **GENERAL POLICIES**

Refer to Section 11

# Double Bay Place Reserve

Double Bay Place Reserve

## PARK INFORMATION

### ADDRESS

Double Bay Place, Army Bay

### PARK AREA (m<sup>2</sup>)

5065

### LAND STATUS

Recreation Reserve

Lot 51 DP 210322 and Lot 51 DP 209056

Local Purpose (Accessway) Reserve

Lot 53 DP 211918

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### KEY RECREATIONAL VALUE

- Connection

## OTHER INFORMATION

- Access through the park links Double Bay Place, Kotanui Avenue, Whangaparaoa Road and Shakespear Regional Park.
- Lot 52 DP 209056 (a stormwater management area) is out of the scope of this plan as it is the responsibility of council's stormwater management team.

## MANAGEMENT FOCUS

- Recreation and ecological linkage, see 10.4

Note: The management focus only applies to the land classified recreation reserve under the Reserves Act 1977.

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

# D'Oyly/Stanmore Bay Weir Reserve

D'Oyly/Stanmore Bay Weir Reserve

## PARK INFORMATION

### ADDRESS

63 Charlotte Street, Stanmore Bay West

### PARK AREA (ha)

3.9072

### LAND STATUS

#### Recreation Reserve

Lot 13 DP 183796, Lot 58 DP 167948, Lot 57 DP 167949, Lot 306 DP 150414, Lot 23 DP 161237, Lot 61 DP 167947, Lot 221 DP 111660, Lot 50 DP 156221 and Lot 49 DP 156222

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

## KEY RECREATIONAL VALUES

- Connection
- Informal recreation – general
- Play space

## OTHER INFORMATION

- Access through the park links Brightside Road, Knott Road, Jean Place, Charlotte, Greta Place and Donald Street.

## MANAGEMENT FOCUS

- Informal recreation, see 10.2

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

# Duck Creek Reserve

Duck Creek Reserve

## PARK INFORMATION

### ADDRESS

4 Duck Creek Road, Silverdale South

### PARK AREA (m<sup>2</sup>)

2335

### LAND STATUS

#### Recreation Reserve

Two parcels of Reclaimed Land Survey Office Plan 46341 and Closed Road Survey Office Plan 46341

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

## KEY RECREATIONAL VALUES

- Informal Recreation - general

## OTHER INFORMATION

- Subject to coastal hazards.

## MANAGEMENT FOCUS

- Informal recreation, see 10.2

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

# Duncansby Lookout and Esplanade Reserve

Duncansby Lookout & Esplanade Reserve

## PARK INFORMATION

### ADDRESS

37 Duncansby Road, Vipond

### PARK AREA (ha)

2.9931

### LAND STATUS

#### Local Purpose (Esplanade) Reserve

Lot 7 DP 52581, Lot 85 DP 37285, Lot 3 DP 45195, Lot 3 DP 53380, Lot 3 DP 47856, Lot 6 DP 51460 and Lots 1 and 2 DP 38625

## VALUES

### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

## OTHER INFORMATION

- Subject to coastal hazards.
- Exposed coastal cliffs are prone to instability and slips. Portions of the park have eroded and may now be in the common marine and coastal area (CMCA).
- The park adjoins Whale Cove Reserve to the east.

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

# East Avenue Tiri Road Esplanade Reserve

East Avenue Tiri Road Esplanade Reserve

## PARK INFORMATION

### ADDRESS

East Avenue, Manly

### PARK AREA (ha)

1.4793

### LAND STATUS

**Local Purpose (Esplanade) Reserve**

Lot 3 DP 356951 and Part Lot 52 DP 17951

## VALUES

### KNOWN CULTURAL VALUES

- Pā site - Headland (CHI No. 6793) - refer to mana whenua.

## SIGNIFICANT NATURAL VALUES

- CL1 Pohutukawa treeland flaxland rockland.
- WF4 Pohutukawa puriri broadleaved forest.

## OTHER INFORMATION

- The park extends along the coast from the East Point Road to the west and adjoins the Tiri Road Esplanade in the north.
- Coastal hazards have eroded parts of the park and as a result a portion of the park's land parcel is either steep coastal cliff or may now be in the common marine and coastal area (CMCA).

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

# Edith Hopper Park

Edith Hopper Park

## PARK INFORMATION

### ADDRESS

34B Ladies Mile, Manly

### PARK AREA (ha)

2.5916

### LAND STATUS

**Recreation Reserve**

Lot 1 DP 105837, Lot 1 DP 163402, Lot 1 DP 145464, Lot 1 DP 206514 and Part Lot 125 DP 81172

### LEASES & LICENCES

Current and contemplated leases and licences within existing footprints for:

- Organised sport and facilities including netball and tennis.
- Organised recreation and education activities and facilities including bridge club.

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general
- Organised sport
- Play space
- Shared paths

## **OTHER INFORMATION**

- The park's entrance is marked by memorial gates to Edith Hopper. A memorial Oak tree planted between the bridge club and the tennis courts is also in her memory.
- Large open stormwater drains run around the southern and western sides and east-west through the middle of the park.

## **MANAGEMENT FOCUS**

- Organised sport and recreation, see 10.5

## **MANAGEMENT PRINCIPLES**

Refer to Section 8

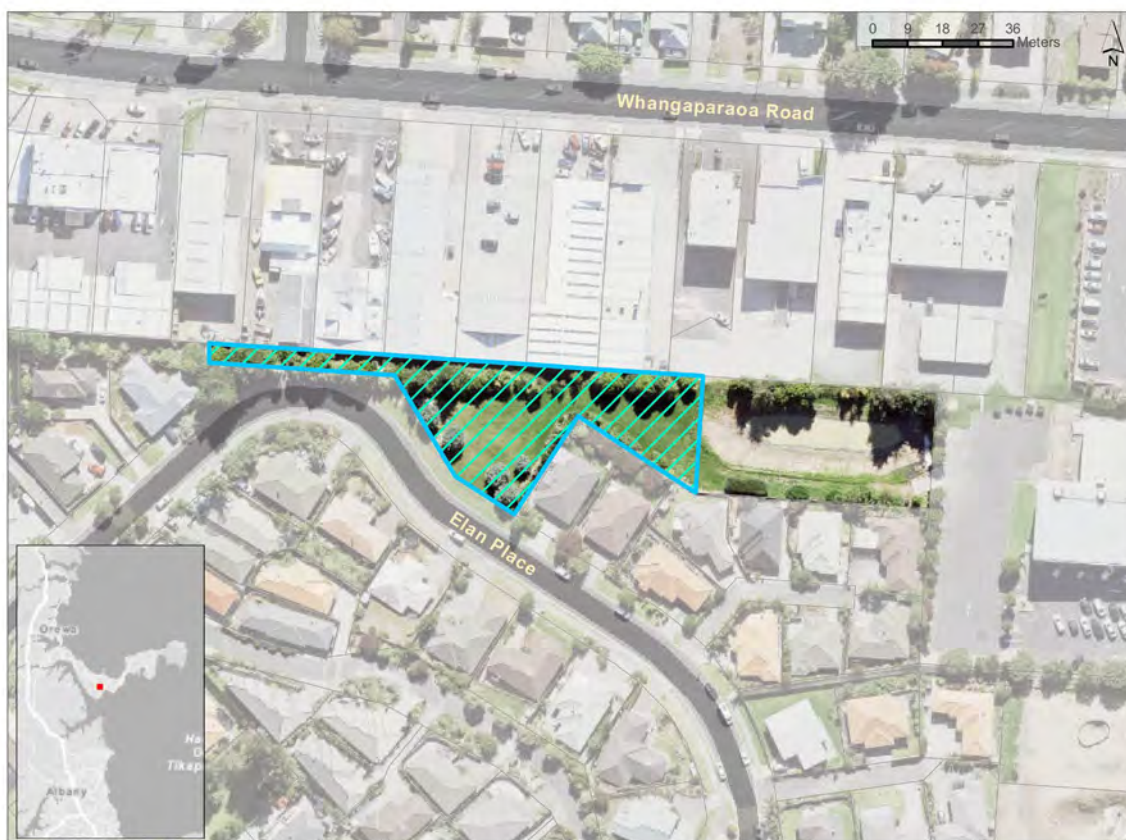

## **GENERAL POLICIES**

Refer to Section 11

## **MANAGEMENT INTENTIONS**

1. Consider improving play opportunities for older children and encouraging family use by providing opportunities for junior play.
2. Consider improvements to the existing netball courts that would increase the capacity for netball and extend the use of the courts to cater for tennis provision at the park.
3. Consider expanding street to street connections through the park and providing for fitness-based recreation.

# Elan Reserve

Elan Reserve

## PARK INFORMATION

### ADDRESS

Elan Place, Wade Heads

### PARK AREA (m<sup>2</sup>)

3917

### LAND STATUS

Recreation Reserve

Lot 61 DP 203318

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### KEY RECREATIONAL VALUE

- Informal recreation - general

## OTHER INFORMATION

- The adjoining Lot 5 DP 174277 contains a stormwater management area that is out of scope of this plan as this is managed by council's stormwater management team.

## MANAGEMENT FOCUS

- Informal recreation, see 10.2

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

# Everard Reserve

Everard Reserve

## PARK INFORMATION

### ADDRESS

16A Shakespear Road, Army Bay

### PARK AREA (ha)

1.8466

### LAND STATUS

**Recreation Reserve**

Lot 127 DP 42861

**Local Purpose (Accessway) Reserve**

Lot 77 DP 50948

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

## KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general
- Play space

## OTHER INFORMATION

- Access through the park links Whangaparaoa Road, Everard Avenue, Shakespear Road and Havilah View.

## MANAGEMENT FOCUS

- Informal recreation, see 10.2

Note: The management focus only applies to the land classified recreation reserve under the Reserves Act 1977.

## **MANAGEMENT PRINCIPLES**

Refer to Section 8

## **GENERAL POLICIES**

Refer to Section 11

## **MANAGEMENT INTENTION**

1. Consider expanding the play offering in the park to include more varied and challenging play opportunities particularly for older children in the Army Bay community.

# Fairhaven Walk

Fairhaven Walk

## PARK INFORMATION

### ADDRESS

1 Fairhaven Walk, Wade Heads

### PARK AREA (ha)

1.4373

### LAND STATUS

**Local Purpose (Esplanade) Reserve**  
Section 1 on SO 314028

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general

## SIGNIFICANT NATURAL VALUES

- SA1 Mangrove forest scrub.
- WF4 Pohutukawa puriri broadleaved forest.

## OTHER INFORMATION

- Subject to coastal hazards.
- Pedestrian access extends along the edge of the Weiti River.
- The park adjoins Wade River Road Reserve to the east and Riverhaven Drive Esplanade to the west.

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

## KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

## MANAGEMENT INTENTION

- Consider opportunities to improve connections through the park and deliver on the Hibiscus and Bays Greenways / Local Paths Plan 2016.

# Gulf Harbour Marina Hammerhead Reserve

Gulf Harbour Marina Hammerhead Reserve

## PARK INFORMATION

### ADDRESS

1242 Laurie Southwick Parade, Gulf Harbour

### PARK AREA (m<sup>2</sup>)

5780

### LAND STATUS

Recreation Reserve

Lot 10 DP 127000

## VALUES

### KNOWN CULTURAL VALUES

- Area of cultural significance – refer to mana whenua.

## KEY RECREATIONAL VALUES

- Beach access
- Connection
- Informal recreation - general
- Water based activities

## OTHER INFORMATION

- Subject to coastal hazards.
- The Gulf Harbour Marina public toilets and boat ramp at the end of Laurie Southwick Parade are not located within the park.
- To the west is the Gulf Harbour to Matakātia Esplanade.

## MANAGEMENT FOCUS

- Informal recreation, see 10.2

## **MANAGEMENT PRINCIPLES**

Refer to Section 8

## **GENERAL POLICIES**

Refer to Section 11

## **MANAGEMENT INTENTION**

1. Consider opportunities to extend / connect with future fitness network provided at Gulf Harbour Recreation Reserve and along Laurie Southwick Parade.

# Gulf Harbour Recreation Reserve

Gulf Harbour Recreation Reserve

## PARK INFORMATION

### ADDRESS

R 40 Gulf Harbour Drive, Gulf Harbour

### PARK AREA (ha)

3.5040

### LAND STATUS

Recreation Reserve

Lot 1 and 2 DP 194956

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### KEY RECREATIONAL VALUES

- Informal recreation - general
- Organised sport
- Play space

## OTHER INFORMATION

- Subject to coastal hazards.
- Local purpose (drainage) reserves run along the western boundary and virtually dissect the park at its southern boundary.

## KEY MANAGEMENT ISSUE

- Due to lack of mature vegetation and general park development the park is very exposed the wind and lacks shade.

## MANAGEMENT FOCUS

- Organised sport and recreation, see 10.5

## **MANAGEMENT PRINCIPLES**

Refer to Section 8

## **GENERAL POLICIES**

Refer to Section 11

## **MANAGEMENT INTENTION**

1. Consider opportunities for individual, family and group fitness suitable for a wide age-range of users; particularly opportunities that compliment and link with any future fitness offer between Gulf Harbour and Army Bay.

# Gulf Harbour to Matakatia Esplanade

Gulf Harbour to Matakatia Esplanade

## PARK INFORMATION

### ADDRESS

Roberts Road, Gulf Harbour

### PARK AREA (ha)

1.4961

### LAND STATUS

**Local Purpose (Esplanade) Reserve**

Lot 49 DP 197626 and Lot 301 DP 205511

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### SIGNIFICANT NATURAL VALUES

- WF4 Pohutukawa puriri broadleaved forest.

## OTHER INFORMATION

- The park extends along the coast from Matakatia Scenic Reserve in the west to Gulf Harbour Hammerhead Reserve to the east. However, coastal hazards have eroded parts of the park and as a result a large portion of the park's land parcel is either steep coastal cliff or may now be in the common marine and coastal area (CMCA).

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

- Refer to mana whenua.

### KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general

## OTHER INFORMATION

- Access through the park links Harvest Avenue and Boocock Crescent.

## MANAGEMENT FOCUS

- Informal recreation, see 10.2

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

# Hatfields Beach Reserve

Hatfields Beach Reserve

## PARK INFORMATION

### ADDRESS

544 Hibiscus Coast Highway, Hatfields Beach

### PARK AREA (ha)

6.4501

### LAND STATUS

**Recreation Reserve**

Allotment 582 Parish of Waiwera and Part Allotment 376-378 Parish of Waiwera

### Local Purpose (Esplanade) Reserve

Lot 160 DP 25436, Lot 17 DP 53193\*, Lot 10 DP 51417, Lot 8 DP 39654, Lot 3 DP 87622, Lot 157 DP 25436 and Lot 1 DP 155254

### Local Purpose (Access) Reserve

Lot 157 DP 25436

\* Parcel's classification subject to confirmation

## VALUES

### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

### KEY RECREATIONAL VALUES

- Beach access
- Boat launching
- Connection
- Informal recreation - general
- Water based activities

### SIGNIFICANT NATURAL VALUES

- CL1 Pohutukawa treeland flaxland rockland.
- PL Planted vegetation.
- Otanerua Stream and riparian edge interface with the park along the northwestern boundary.

## OTHER INFORMATION

- Coastal processes have eroded the park and as a result a portion of the park may now be in the common marine and coastal area (CMCA).
- Contaminated land – closed landfill. Ongoing monitoring and inspections of closed landfill to ensure safe use by public.
- Under the current Freedom Camping Bylaw 2015 (under review) there is a freedom camping designated site on the west side of the Hibiscus Coast Highway adjacent to the toilet block.
- Campervan dump station site.
- Otanerua Stream runs along the western boundary of the park.

## KEY MANAGEMENT ISSUES

1. Unauthorised freedom camping particularly on the waterfront side of Hibiscus Coast Highway adds to congestion and displacement of beach, park and boat ramp users as this heavily used area that has limited space for car and trailer parking. Unauthorised freedom camping also occurs on the grass area to the landward side of Hibiscus Coast Highway, a known contaminated site. Soil disturbance from these unauthorised vehicles may be an issue on the capped contaminated land.
2. The Hibiscus Coast Highway bisects the park and constrains use of the popular waterfront area. Park users are required to cross the busy road to access the toilet facilities located on the landward side of the highway.
3. Potential constraints for ground intrusive projects and activities in area of closed landfill. Notification of potential hazards may be required for some activities.
4. A large Future Urban Zone to the north of the park is anticipated to double the size of the existing residential areas nearby. This is likely to result in significant increase in the intensity of use and pressure on the park facilities.

## MANAGEMENT FOCUS

- Coastal, see 10.1

Note: The management focus only applies to the land classified recreation reserve under the Reserves Act 1977.

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

## MANAGEMENT INTENTIONS

1. Consider options for better connectivity to the waterfront part of the park including reconfiguring the car parking and working with Auckland Transport on the roading layout.
2. Consider opportunities to improve utilisation of the park on the western side of Hibiscus Coast Highway including expansion of public convenience facilities and requests to establish facilities for coastal, beach or marine related activities.
3. Manage the riparian edge of Otanerua Stream to protect ecological health and enhance visual amenity.

# Higham Ferrers Reserve

Higham Ferrers Reserve

## PARK INFORMATION

### ADDRESS

Higham Ferrers Place, Red Beach

### PARK AREA (m<sup>2</sup>)

5770

### LAND STATUS

**Recreation Reserve**

Lot 337 DP 83192 and Lot 336 DP 83191

### KEY RECREATIONAL VALUES

- Connection
- Informal recreation – general

# Island View Drive Reserve

Island View Drive Reserve

## PARK INFORMATION

### ADDRESS

Island View Drive, Gulf Harbour

### PARK AREA (m<sup>2</sup>)

6875

### LAND STATUS

Scenic Reserve 19(1)(b)

Lot 303 DP 175625

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### SIGNIFICANT NATURAL VALUES

- Native vegetation.

## OTHER INFORMATION

- Rakauananga Point Esplanade Reserve abuts the park's eastern boundary and the Gulf Harbour Country Club golf course sits to the west.
- Also known as Golf Course Reserve and Park View to Island View 3.

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

## MANAGEMENT INTENTION

- Actively protect and enhance natural values within the park particularly native vegetation, wildlife, and associated ecosystems.

# James Titford Reserve

James Titford Reserve

## PARK INFORMATION

### ADDRESS

32 Waiwera Road, Waiwera

### PARK AREA (m<sup>2</sup>)

350

### LAND STATUS

**Recreation Reserve**

Allotment 733 Parish of Waiwera SO 61196

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

## KEY RECREATIONAL VALUES

- Connection
- Informal recreation – general

## OTHER INFORMATION

- The reserve abuts the inner reaches of the Waiwera estuary.

## MANAGEMENT FOCUS

- Recreation and ecological linkage, see 10.4

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

# Jamie Hansen Park

Jamie Hansen Park

## PARK INFORMATION

### ADDRESS

29 Sun Valley, Hatfields Beach

### PARK AREA (m<sup>2</sup>)

830

### LAND STATUS

Recreation Reserve

Lot 42 DP 76548

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

## KEY RECREATIONAL VALUES

- Informal recreation – general
- Play space

## MANAGEMENT FOCUS

- Informal recreation, see 10.2

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

# Jelas/Moffat Esplanade Reserve

Jelas/Moffat Esplanade Reserve

## PARK INFORMATION

### ADDRESS

Longmore Lane, Red Beach

### PARK AREA (ha)

2.3463

### LAND STATUS

Recreation Reserve

Lot 3 DP 334416

### Local Purpose (Esplanade) Reserve

Lot 10 DP 86867, Lot 4 DP 95315, Lot 4 DP 133341 and Lot 28 DP 48420

## VALUES

### KNOWN CULTURAL VALUES

- Recorded archaeological sites of Māori origin - refer to mana whenua.

## KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general
- Shared path

## OTHER INFORMATION

- Te Ara Tahuna Cycleway runs the length of the park along the edge of the Orewa River / Estuary.
- The park adjoins unformed legal road at the end of Moffat Road and Jelas Road. The unformed legal road is out of scope of this plan.
- While Auckland Council maintains this land, it is under the jurisdiction of Auckland Transport. The general policies and provisions of this plan will guide the local board's position and any future input into management or development of this area where it is sought.

- The park connects to Longmore Lane and Metro Park via a footbridge over a tributary of the Orewa River to the west. It connects to Pohutukawa Esplanade Reserve to the east.

## **MANAGEMENT FOCUS**

- Recreation and ecological linkage, see 10.4

Note: The management focus only applies to the land classified recreation reserve under the Reserves Act 1977.

## **MANAGEMENT PRINCIPLES**

Refer to Section 8

## **GENERAL POLICIES**

Refer to Section 11

## **MANAGEMENT INTENTION**

1. Encourage initiatives and consider opportunities that deliver on (implement) the Orewa Estuary Te Ara Tahuna Community Restoration Plan 2017.

# Johns Creek Reserve

Johns Creek Reserve

## PARK INFORMATION

### ADDRESS

4 Johns Creek Crescent, Silverdale

### PARK AREA (ha)

1.0086

### LAND STATUS

Local Purpose (Esplanade) Reserve

Lot 102 DP 507209

## OTHER INFORMATION

- The park borders the upper reaches of the Weiti Stream and sits opposite Silverdale War Memorial Park.

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### KEY RECREATIONAL VALUES

- Connection
- Informal recreation – general

# Joydon Place Reserve

Joydon Place Reserve

## PARK INFORMATION

### ADDRESS

Joydon Place, Stanmore Bay East

### PARK AREA (m<sup>2</sup>)

2306

### LAND STATUS

**Recreation Reserve**

Lot 125 DP 38691

## OTHER INFORMATION

- Access through the park links Joydon Place with Stanmore Bay Beach through the adjacent Stanmore Bay East Reserve.

## MANAGEMENT FOCUS

- Recreation and ecological linkage, see 10.4

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### KEY RECREATIONAL VALUES

- Beach access
- Informal recreation - general
- Play space

# Karaka Cove

Karaka Cove

## PARK INFORMATION

### ADDRESS

233 Whangaparaoa Road, Vipond

### PARK AREA (ha)

8.0239

### LAND STATUS

#### Recreation Reserve

Lot 32 DP 357819, Lot 31 DP 342131  
and Lot 23 DP 357819

#### Local Purpose (Lookout) Reserve

Lot 25-27 DP 342131

#### Local Purpose (Esplanade) Reserve

Lot 30 DP 342131 and Lot 8 DP 429799

#### Subject to Local Government Act 2002

Lot 28 DP 357819

## VALUES

### KNOWN CULTURAL VALUES

- Recorded archaeological sites of Māori origin - refer to mana whenua.

### KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general
- Walking trails

### SIGNIFICANT NATURAL VALUES

- SA1 Mangrove forest scrub.
- VS2 Kanuka scrub forest.
- WF4 Pohutukawa puriri broadleaved forest.
- Kauri.

## OTHER INFORMATION

- Subject to coastal hazards.
- Walking trails through the park link Whangaparaoa Road and Matheson Road.
- Lot 29 DP 342131 and Lot 39 DP 362250 off the end of Matheson Road provide for utility purposes and are outside the scope of this plan.

## KEY MANAGEMENT ISSUES

1. Threat of kauri dieback.
2. Control of invasive weed species throughout the park.

## MANAGEMENT FOCUS

- Protection of the natural environment, see 10.3

Note: The management focus areas only apply to the land classified recreation reserve under the Reserves Act 1977 and the land subject to the Local Government Act 2002.

## MANAGEMENT PRINCIPLES

Refer to Section 8

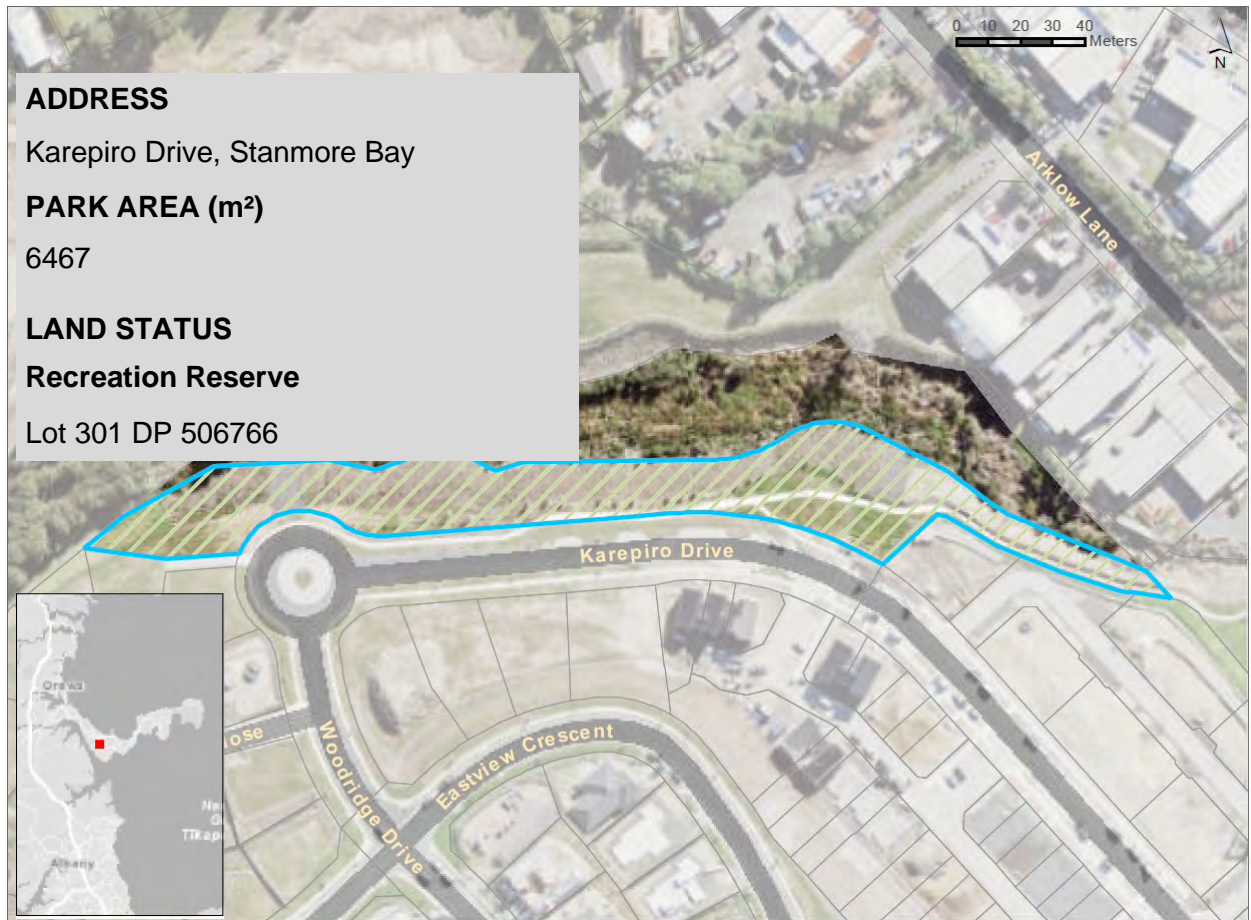

## GENERAL POLICIES

Refer to Section 11

## MANAGEMENT INTENTION

1. Actively protect and enhance natural values within the park particularly native vegetation including Pohutukawa Puriri broadleaved forest, mangrove scrub forest and kanuka scrub forest, wildlife, and associated ecosystems.
2. Support opportunities to protect the park from pathogen incursion, such as kauri dieback, including opportunities to improve, realign or relocate paths through the park particularly those near kauri.
3. Protect the natural character of the park and improve park users' experience and ability to connect with nature.

# Karepiro Drive Reserve

## ADDRESS

Karepiro Drive, Stanmore Bay

## PARK AREA (m<sup>2</sup>)

6467

## LAND STATUS

Recreation Reserve

Lot 301 DP 506766

## PARK INFORMATION

## OTHER INFORMATION

- Access through the park and adjacent stormwater reserve links Karepiro Drive with Arklow Lane.
- The parcel sitting between the park and waterway was acquired for drainage purposes and along with the stormwater pond on Lot 300 DP 506766 is managed by council's stormwater management team.

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general

## MANAGEMENT FOCUS

- Recreation and ecological linkage, see 10.4

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

# Kelly Greens Reserve

Kelly Greens Reserve

## PARK INFORMATION

### ADDRESS

36 Harris Drive, Silverdale North

### PARK AREA (m<sup>2</sup>)

2457

### LAND STATUS

Recreation Reserve

Lots 801 and 802 DP 461906

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### KEY RECREATIONAL VALUE

- Connection

## OTHER INFORMATION

- Pedestrian connection through the park links Wainui Road and Harris Drive.

## MANAGEMENT FOCUS

- Recreation and ecological linkage, see 10.4

### KEY RECREATIONAL VALUE

- Connection

## OTHER INFORMATION

- Pedestrian connection through the park links Kensington Drive and Parkside Drive.

## MANAGEMENT FOCUS

- Recreation and ecological linkage, see 10.4

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

# Kensington Terrace Reserve

Kensington Terrace Reserve

## PARK INFORMATION

### ADDRESS

30 Kensington Terrace, Army Bay

### PARK AREA (m<sup>2</sup>)

2004

### LAND STATUS

Recreation Reserve

Lot 72 DP 169858

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### KEY RECREATIONAL VALUES

- Informal recreation – general
- Play space

## MANAGEMENT FOCUS

- Informal recreation, see 10.2

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

## MANAGEMENT INTENTION

1. Consider improving play opportunities particularly for junior and intermediate age groups with a view to addressing the gap in play provision, in the residential area, between Gulf Harbour Drive, Whangaparaoa Road and Regency Park Drive.

# Kinloch Reserve

Kinloch Reserve

## PARK INFORMATION

### ADDRESS

385 Hibiscus Coast Highway, Orewa

### PARK AREA (m<sup>2</sup>)

3862

### LAND STATUS

Recreation Reserve

Part Lot 140 DP 12795 and Sections 1 and 3 SO 64798

## VALUES

### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### KEY RECREATIONAL VALUES

- Beach access
- Informal recreation - general

## OTHER INFORMATION

- Subject to coastal hazards.
- The park is part of a network of parks providing foreshore amenity and public access to Orewa Beach from Hibiscus Coast Highway.

## KEY MANAGEMENT ISSUE

- Coastal hazards particularly sea-level rise and coastal erosion threatening the loss and damage to parkland and park assets.

## MANAGEMENT FOCUS

- Informal recreation, see 10.2

## MANAGEMENT PRINCIPLES

Refer to Section 8

## GENERAL POLICIES

Refer to Section 11

# Lakeside Reserve

Lakeside Reserve

## PARK INFORMATION
